

General Regulations EN 15085-2:2020

Revocation of the Certificate R02431113 | 00 and 01

NetRail AB

SE 253 51 Pårarp, Maskinistgatan 11

with the production site

NetRail AB

SE 21120 Malmö, Mejselgatan 5

The manufacturer certification body issuing this certificate may revoke the certificate if:

- there are justified doubts as to the proper execution of the welding work according to the stated standards,
- there are justified doubts as to the proper welding coordination according to the stated standards,
- no recognized welding supervisor is available any longer,
- no valid qualification test certificates for the welders and welding operators according to the specified standards are available,
- welders or welding operators without tested qualifications have been entrusted with the execution of welding work under the stated standards
- other requirements according to the stated standard are no longer satisfied,
- the manufacturer certification body was refused an opportunity to perform the annual surveillance
- the welding manufacturer waives the certificate

The welding manufacturer shall acknowledge the revocation in writing to the manufacturer certification body. The manufacturer certification body shall notify the National Security Authority.

If a valid certificate is to be renewed, the renewal must be applied for with the manufacturer certification body at least two months before the end of the period of validity of the current certificate.

certification on: 01.07.2015
extended on: 18.04.2024
valid to: 30.06.2027

Leoben, April 18th, 2024
